

**Murray Lippiatt**

**Product Designer**

murraylippiat@gmail.com

Nottingham, UK

**Experience**

**SPARCK**

**Senior Product Designer  
& Squad Lead**

June 2022 — now

Working at global innovation and digital transformation consultancy SPARCK as a consultant for projects in the private and public sector. Working with clients to define and solve problems, design products and services, and build capability. Clients include UK Hydrographic Office, Research England, Skipton Building Society and other confidential government departments.

**Ministry of Justice**

**Interaction Designer**

March 2021 - June 2022

Improving the Criminal Injuries Compensation Authority's application service. Making it easier, more human, and less traumatic for victims of violent crime to apply for compensation from the Government. Interpreting research and business insights, facilitating co-creation workshops, prototyping in high fidelity in HTML, CSS and JS.

**Pentland Brands**

**Design Ops Manager**

July 2018 - March 2021

Working in an operational role, using proven processes to ensure high quality output and efficient interfacing with other teams. Responsible for implementing new ways of working to support the Head of Design and team members in producing desirable products that exceed the expectations of consumers.

**Realise Product Design**

**Senior Product Designer**

September 2017 - July 2018

Delivering fully refined solutions across a wide range of industries including IOT, cryogenics, healthcare and sports. Responsible for line management, supporting and motivating junior staff, leading projects and directly interfacing with clients, stakeholders and suppliers.
